## We are moving our branch to serve you better

Dear Valued Client,

**CIBC FirstCaribbean thanks you for your continued loyalty and support.**

We wish to inform you that effective Monday, 24 July, 2023, CIBC FirstCaribbean will relocate from its Governor's Harbour site to our new branch at **#4 Charlow's Bay Plaza, Queen's Highway.**

Our new facility will provide you with cutting edge Smart Technology ABMs, night deposit services as well as online banking services in an ultra-modern digital zone.

All existing loans and deposit balances will be automatically transferred to the new, state-of-the-art branch. No action will be required of you during the transition period and you can continue to bank with confidence.

We remain committed to ensuring that all your banking needs are met and are available should you wish to discuss the transition process.

Please note that our current location at Eleuthera Supply Building Complex will **close permanently on Friday, 21 July, 2023 at 4:30 pm.**

We thank you for your ongoing support and look forward to serving you at our new location in the coming months.

Sincerely,

*Katrice Darville-Sweeting*
